Dear Mrs Hart,

Your letter to Mrs E. M. Almedinger has been opened by me, and I have great regret in informing you of Mrs Almedinger's death, early in March.

Had she been alive, yours is a request she would have been so glad to fulfill. All her life she was a strong supporter of libraries, and never failed to acknowledge her own great indebtedness to them. I hope your new library will have every success.

Yours sincerely
(Mrs) Frances H. Pilkington
