

SECRETARIAT OF STATE

FROM THE VATICAN April 7, 1971

The Secretariat of State is directed to acknowledge receipt of a recent communication addressed to him by Mrs. Marguerite A. Hart and to express his gratitude for the sentiments which prompted it.

It is not the practice of the Holy Father to accede to such requests as the one mentioned in the letter. However, the Secretariat communicates the good wishes of His Holiness and assures the sender of his prayers that such good work for the young people of Troy may continue and prosper.
